Study Guide - Join the State Police

This study guide will also discuss the different types of questions that will appear on the test. The skills and abilities measured by the test will be defined. You will also find sample questions along with an answer key. Read the definition of each skill or ability carefully and then try the sample questions. After you have answered the sample

Bitcoin: A Peer-to-Peer Electronic Cash System

A purely peer-to-peer version of electronic cash would allow online payments to be sent directly from one party to another without going through a financial institution. Digital signatures provide part of the solution, but the main benefits are lost if a trusted third party is still required to prevent double-spending.
