The Last Romantics Tara Conklin 2019-02-05 From the New York Times–bestselling author of *The House Girl* comes a novel about our most precious and dangerous attachment: family In the spring of 1981, the young Skinner siblings–fierce Renee, dreamy Caroline, golden boy Joe and watchful Fiona–lose their father to a heart attack and their mother to a paralyzing depression, events that thrust them into a period they will later call “the Pause.” Caught between the predictable life they once led and an uncertain future that stretches before them, the siblings navigate the dangers and resentments of the Pause to emerge fiercely loyal and deeply connected. Two decades later, the Skinners find themselves again confronted with a family crisis that tests the strength of these bonds and forces them to question the life choices they’ve made and what, exactly, they will do for love. Narrated nearly a century later by the youngest sibling, the renowned poet Fiona Skinner, *The Last Romantics* spans a lifetime. It’s a story of sex and affection, sacrifice and selfishness, deeply held principles and dashed expectations, a lost engagement ring, a squandered baseball scholarship, unsupervised summers at the neighbourhood pond and an iconic book of love poems. But most of all it is the story of Renee, Caroline, Joe and Fiona: the ways they support each other, the ways they betray each other and the ways they knit back together bonds they have fractured. In the vein of *Commonwealth*, *Little Fires Everywhere* and *The Nest*, this is a panoramic, tenderly insightful novel about one devoted, imperfect family. *The Last Romantics* is an unforgettable exploration of the responsibilities we bear both gracefully and unwillingly, and the all-important, ever-complex definition of love.

Make Me Give In Angel Knots 2019-04-20 Welcome to the Omega Celibacy Club. No sex until graduation. No unexpected pregnancies. No alphas needed. SIMON Even if it's not politically correct to say so anymore, everyone still knows that alphas and omegas are ruled by their biology. Sure, it's the twenty-first century now and most people have given up believing in archaic ideas like fated mates, but just take a look at college drop out rates and you'll see that some things haven't changed at all. Alphas still dominate, omegas still submit, and horny college kids in heat let their hormones dictate poor choices every day. Not me and my roommates, though. Not if I have anything to say about it. Too many of our classmates here at Preston College have gotten knocked up and then dropped out. Given up their goals and dreams just because they've met an alpha with a big... ego. The point here is that there's only one surefire way to avoid that trap, and that's why I started the Omega Celibacy Club. No sex until graduation. No unexpected pregnancies. No alphas needed. And no, I'm not just saying that because I've been hung up on one particular alpha for approximately ever. I'm totally over Hunter King. I mean, not that there was ever anything to get over. Our families have been friends forever and he dated my sister back when I was still just a kid, but even if me and my right hand may have pined for him once upon a time, I barely ever think of him anymore. I mean never. I never think of him anymore. Did I mention I'm over it? HUNTER Weddings are a great place to get laid, but when I show up for my ex's big day, I'm hoping to get a lot more than that. I've never admitted it, but the reason I broke up with her all those years ago was because of her brother. One look at little Simon Lawson

and I was a goner. Of course I didn't say anything though, not back then. I didn't touch him. Always kept my distance. I had to, because he was just a kid... but he's all grown up now. I've bided my time for years, but now I'm ready to see if the feeling is mutual. And if it is, I know exactly what I want. I want Simon. I want a family. And I want it forever. And even though I've never been the kind of alpha who imposes his will on omegas, when I finally realize just what it is that my omega needs, I know I'll do anything at all to make that forever happen. In fact, I'll do everything. MAKE ME GIVE IN is the first book in the Omega Celibacy Club series, a contemporary omegaverse world where the only thing stronger than an alpha's will is his desire to keep his omega happy, and where even omegas who don't believe in fated mates sometimes still find them.

The Scarlett Letters Jenny Nordbak 2017-04-04 Jenny Nordbak takes us to a place that few have seen, but millions have fantasized about, revealing how she transformed herself from a USC grad lacking in confidence into an elite professional dominatrix who finds her own voice, power and compassion for others. On an unorthodox quest to understand her hidden fantasies, Jenny led a double life for two years. By day she was a construction manager, but at night she became Mistress Scarlett. Working at LA's longest-running dungeon, she catered to the secret fetishes of clients ranging from accountants to

movie stars. She simultaneously developed a career in the complex and male-dominated world of healthcare construction, while spending her nights as a sex worker, dominating men. Far from the standard-issue powerful men who pay to be helpless, Mistress Scarlett's clientele included men whose fantasies revealed more complex needs, from "Tickle Ed" to "Doggie Dan," from the "Treasure Trolls" to "Ta-Da Ted." The Scarlett Letters explores the spectacularly diverse array of human sexuality and the fascinating cast of characters that the author encountered along the way.

How God Became King Tom Wright 2012-04-12 It has been slowly dawning on me over many years that there is a fundamental problem deep at the heart of Christian faith and practice as I have known it... we have all forgotten what the four gospels are about.' With this surprising and radical assertion, highly respected theologian and former Bishop of Durham Tom Wright launches a groundbreaking work sure to shake up and revolutionise much Christian thinking on the very heart and meaning of the Gospel of Jesus Christ. Tom Wright leads us, intelligently and graciously to seeing the new reality of the gospel story; one that is so explosive that the church in many generations has found it too much to take and so has watered it down rather than allowing its full impact to be felt.

Landon Jenks, retired four-time Golden Glove-winning shortstop for the Chicago Cubs, is lonely, heartbroken, and in desperate need of simple human contact. Trapped in the sticky fine print of an ironclad contract that forbids him from revealing his very-much-single status until the season finale of his reality show airs, he calls an elite male escort service that caters to the rich and wretched. Accustomed to servicing his often less than savory clients at more upscale locales, twenty-six-year-old Toby Carmichael is surprised when his handler sends him to a run-down motel off I-55. But "surprise" doesn't come close to describing the shock that rocks his system when a delightful stuttering mess covered in tattoos and nearly ten years his senior stumbles into the room—and right into his heart. For the first time since Toby was forced into the life of prostitution, a kiss sparks a desire that has nothing to do with money and everything to do with genuine chemistry and the faintest beginnings of something so much more. But Toby's dark past and troubled present make it impossible to see a future with Landon. And when the truth comes to light, a horrified and helpless Landon is determined to save Toby at all costs.

The Extraordinary Life of Josef Ganz Paul Schilperoord 2012 The astonishing biography of Josef Ganz, a Jewish designer from Frankfurt, who in May 1931

created a revolutionary small car: the Maikäfer (German for "May bug"). Seven years later, Hitler introduced the Volkswagen. The Nazis not only "took" the concept of Ganz's family car—their production model even ended up bearing the same nickname. The Beetle incorporated many of the features of Ganz's original Maikäfer, yet until recently Ganz received no recognition for his pioneering work. The Nazis did all they could to keep the Jewish godfather of the German compact car out of the history books. Now Paul Schilperoord sets the record straight. Josef Ganz was hunted by the Nazis, even beyond Germany's borders, and narrowly escaped assassination. He was imprisoned by the Gestapo until an influential friend with connections to Göring helped secure his release. Soon afterward, he was forced to flee Germany, while Porsche, using many of his groundbreaking ideas, created the Volkswagen for Hitler. After the war, Ganz moved to Australia, where he died in 1967.

The Buddha and the Borderline Kiera Van Gelder 2010-08-01 Kiera Van Gelder's first suicide attempt at the age of twelve marked the onset of her struggles with drug addiction, depression, post-traumatic stress, self-harm, and chaotic romantic relationships—all of which eventually led to doctors' belated diagnosis of borderline personality disorder twenty years later. *The Buddha and the Borderline* is a window into this mysterious and debilitating condition, an unblinking portrayal of one woman's fight against the emotional devastation of borderline personality disorder. This haunting, intimate memoir chronicles both the devastating period that led to Kiera's eventual diagnosis and her inspirational recovery through therapy, Buddhist spirituality, and a few online dates gone wrong. Kiera's story sheds light on the private struggle to transform suffering into compassion for herself and others, and is essential reading for all seeking to understand what it truly means to recover and reclaim the desire to live.

Girl at the End of the World Elizabeth Esther 2014-03-18 I was raised in a homegrown, fundamentalist Christian group—which is just a shorthand way of saying I'm classically trained in apocalyptic stockpiling, street preaching, and the King James Version of the Bible. I know hundreds of obscure nineteenth-century hymns by heart and have such razor sharp "modesty vision" that I can spot a miniskirt a mile away. Verily, verily I say unto thee, none of these highly specialized skills ever got me a job, but at least I'm all set for the end of the world. Selah. A story of mind control, the Apocalypse, and modest attire. Elizabeth Esther grew up in love with Jesus but in fear of daily spankings (to "break her will"). Trained in her family-run church to confess sins real and imagined, she knew her parents loved her and God probably hated her. Not until she was grown and married did she find the courage to attempt the unthinkable. To leave. In her memoir, readers will recognize questions every believer faces: When is spiritual zeal a gift, and when is it a trap? What happens when a pastor holds unchecked sway over his followers? And how can we leave behind the harm inflicted in the name of God without losing God in the process? By turns hilarious and heartbreaking, *Girl at the End of the World* is a story of the lingering effects of spiritual abuse and the growing hope that God can still be good when His people fail. Includes reading group discussion guide and interview with the author

The Loved One Evelyn Waugh 2012-12-11 "A work of art as rich and subtle and unnerving as anything its author has ever done" (New Yorker), *The Loved One*

is Evelyn Waugh's cutting satire of 1940s California and the Anglo-American cultural divide. Following the death of a friend, the poet and pets' mortician Dennis Barlow finds himself entering the artificial Hollywood paradise of the Whispering Glades Memorial Park. Within its golden gates, death, American-style, is wrapped up and sold like a package holiday--and Dennis gets drawn into a bizarre love triangle with Aimée Thanatogenos, a naïve Californian corpse beautician, and Mr. Joyboy, a master of the embalmer's art. Waugh's dark and savage satire depicts a world where reputation, love, and death cost a very great deal.

Patterns of Light Vol. 1: Discovering Patterns of Recovery Within the Book of Mormon and Twelve Step Literature Colleen Harrison 2015-08-06 From the author of He Did Deliver Me from Bondage Weaving together selected scriptures from the Book of Mormon and quotations from Alcoholics Anonymous (the AA Big Book) and Twelve Steps and Twelve Traditions, Colleen Harrison provides an in-depth study of the principles of recovery found in the Twelve Steps. The principles of the Twelve Steps are a proven method for coming into "conscious contact" with God. When combined with the power of the Book of Mormon, the result is a deepening spirituality within anyone who uses this course of study. Of this work, Colleen states: This work was a gift to me. It has changed my life and given me a practical, proven method of heart-deep repentance. Working the Steps has led me to "come unto Christ" (Moroni 10:32), and He has changed my heart, my mind, my life. I testify that these true principles have the power to bring all mortals - addicted or not - recovery and redemption from mortality's greatest challenges. When focused on our relationship wit

Brooklyn, 2008. Eighteen-year-old Deya, Isra’s oldest daughter, must meet with potential husbands at her grandmother Fareeda’s insistence, though her only desire is to go to college. But her grandmother is firm on the matter: the only way to secure a worthy future for Deya is through marriage to the right man. But fate has a will of its own, and soon Deya will find herself on an unexpected path that leads her to shocking truths about her family—knowledge that will force her to question everything she thought she knew about her parents, the past, and her own future.
