**The Red and the Black Stendhal** 2008-10-15 "The Red and the Black" is a reflective novel about the rise of poor, intellectually gifted people to High Society. Set in 19th century France it portrays the era after the exile of Napoleon to St. Helena. The influential, sharp epigrams in striking prose, leave reader almost as intrigued by the author's talent as the surprising twists that occur in the arduous love life.

**The Red and the Black Stendhal**, 2009-03-26 In this vigorous and fast-moving novel of post-Napoleonic France, Julien Sorel's plans to reach the higher echelons of society through the priesthood are deflected by his realization that the attainment of happiness is of greater consequence than the pursuit of ambition. Subtitled 'A Chronicle of 1830', Stendhal's depiction of a nation of smug hypocrites scandalized contemporary readers, who recognized themselves or their peers and felt uncomfortable with the energy, imagination, and sincerity of a hero so patently inspired by their lately deposed Emperor. Julien's restless energy is fully captured in this specially commissioned translation of one of the world's great novels.

**Stendhal: The Red and the Black** Stirling Haig 1989-06-22 Stendhal's great novel *The Red and the Black*, published in 1830, is seen as one of the most distinguished monuments of literary realism. In this introductory study, Stirling Haig shows how this realism derives from the incorporation of both history and legal reportage into the novel, and how it combines autobiography with mimesis. Professor Haig locates the novel in the context of Stendhal's own experiences as a Commissariat officer in the Napoleonic army, journalist, opera-lover, salon dandy and traveller in Italy and Restoration France, and highlights the constant inter-penetration of personal, documentary, and fictional elements in Stendhal's writings.

**Italian Chronicles** Stendhal 2017-05-02 Nineteenth-century French writer Marie-Henri Beyle, better known by his pen name Stendhal, is one of the earliest leading practitioners of realism, his stories filled with sharp analyses of his characters' psychology. This translation of Stendhal's *Chroniques italiennes* is a collection of nine tales written between 1829 and 1840, many of which were published only after his death. Together these collected tales reveal a great novelist working with highly dramatic subject matter to forge a vision of life lived at its most intense. The setting for these tales is a romanticized Italy, a place Stendhal viewed as unpolluted by bourgeois inhibitions and conformism. From the hothouse atmosphere of aristocratic convents to the horrors of the Cenci family, the tales in *Italian Chronicles* all feature passionate, transgressive characters engaged in "la chasse au bonheur"—the quest for happiness. Most of the tragic, violent tales are based on historical events, with Stendhal using history to validate his characters' extreme behaviors as they battle literal and figurative oppression and try to break through to freedom. Complete with revenge, bloody daggers, poisonings, and thick-walled nunneries, this new translation of *Italian Chronicles* includes four never-before-translated stories and a fascinating introduction detailing the origins of the book. It is sure to gratify established Stendhal fans as well as readers new to the writer.

**Stendhal Francesco Manzini** 2019-10-15 This is a book about the life and work of a singular writer, an author well-known for his biographies and travel writing but most famous for his novels *The Red and the Black* and *The Charterhouse of Parma*. As a child, Stendhal witnessed the unfolding of the French Revolution; as a young man, he served Napoleon first as a soldier and then as an administrator; and as a middle-aged man, he made it his task not to pursue his career, but instead to take as much paid leave as possible in order to be free and to be happy—and to write. Stendhal's works often take the form of conversations with his readers—the "Happy Few" as he called them—about the things that matter most. He once claimed that he spent the majority of his life "carefully considering five or six main ideas." This book makes clear what those main ideas were, why they mattered to Stendhal, and why they continue to matter to all of us.

**If Beale Street Could Talk** James Baldwin 2013-09-17 In this honest and stunning novel that inspired the award-winning major motion picture of the same name, James Baldwin has given America a moving story of love in the face of injustice. "A major work of Black American fiction." —The New Republic Told through the eyes of Tish, a nineteen-year-old girl, in love with Fonny, a young sculptor who is the father of her child, Baldwin's story mixes the sweet and the sad. Tish and Fonny have pledged to get married, but Fonny is falsely accused of a terrible crime and imprisoned. Their families set out to clear his name, and as they face an uncertain future, the young lovers experience a kaleidoscope of emotions—affection, despair, and hope. In a love story that evokes the blues, where passion and sadness are inevitably intertwined, Baldwin has created two characters so alive and profoundly realized that they are unforgettably ingrained in the American psyche.

**Selected Poems and Letters** Arthur Rimbaud 2004-09-02 A phenomenally precocious schoolboy, Rimbaud was still a teenager when he became notorious as Europe's most shocking and exhilarating poet. During his brief 5-year reign as the enfant terrible of French literature he produced an extraordinary body of poems that range from the exquisite to the obscene, while simultaneously living a life of dissolute excess with his lover and fellow poet, Verlaine. At the age of 21, he abandoned poetry and travelled across Europe before settling in Africa as an arms trader. This edition sets the two sides of Rimbaud side by side with a sparkling translation of his most exhilarating poetry and a generous selection of the letters from the harsh and colourful period of his life as a colonial trader.

**The Charterhouse of Parma** Stendhal 1958-01-01 The French literary master's work depicting young Fabrizio's struggles to keep his love for Clelia a secret in the small court of Parma.

**The Bright Book of Life** Harold Bloom 2020 Bloom offers meditations on forty-eight essential works of fiction that span the Western canon. While considering each novel's strengths and shortcomings, he also explains where and why he differs with other critics' assessments. In doing so, he guides readers to a new understanding of the novels, and in the importance and power of fiction. — adapted from jacket and from reviews on Amazon

**The Red and the Black** Stendhal 2004-05-11 A Major New Translation *The Red and the Black*, Stendhal's masterpiece, is the story of Julien Sorel, a young dreamer from the provinces, fueled by Napoleonic ideals, whose desire to make his fortune sets in motion events both mesmerizing and tragic. Sorel's quest to find himself, and the doomed love he encounters along the way, are delineated with an unprecedented psychological depth and realism. At the same time, Stendhal weaves together the social life and fraught political intrigues of post-Napoleonic France, bringing that world to unforgettable, full-color life. His portrait of Julien and early-nineteenth-century France remains an unsurpassed creation, one that brilliantly anticipates modern literature. Neglected during its time, *The Red and the Black* has assumed its rightful place as one of the world's great books, and Burton Raffel's extraordinary new translation, coupled with an enlightening Introduction by Diane Johnson, helps it shine more brightly than ever before.

**No Country for Old Men** Cormac McCarthy 2007-11-29 This blistering novel—from the bestselling, Pulitzer Prize-winning author of *The Road*—returns to the Texas-Mexico border, setting of the famed *Burder Trilogy*. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning's headlines. No Country for Old Men is a triumph. **Lucky Per Henrik Pontoppidan** 2019 "A hardcover edition of the 1904 novel by Nobel Prize-winning Danish author Henrik Pontoppidan, widely considered "the great Danish novel," but not available in English until recently. In a translation by Naomi Lebowitz, with a new introduction by novelist Garth Risk Hallberg, bibliography, and chronology"—

**The Red and the Black** Stendhal 2021-11-16 *The Red and the Black* – First published in 1830, *The Red and the Black*, is widely considered the masterpiece of 19th century French author Marie-Henri Beyle, known more commonly by his pen name, Stendhal. It follows the ambitions of Julien Sorel, a young man raised in the French countryside who wishes to rise above his provincial station by climbing the social ranks of Parisian society. Through a series of events, Julien's talent and hard work give way to deception and hypocrisy when he realizes the limitations for advancement of a sincere and honest man of humble origins. Although Julien achieves much which he aspires to, ultimately his pride gets the better of him when he commits a violent crime of passion, leading to his tragic downfall. Through the deep psychological introspection of Julien we see Stendhal's unique literary genius, the remarkable way in which he allows readers to live in the minds of his characters. Set against the backdrop of the July Revolution of 1830, *The Red and the Black* is a narrative which embodies the rich social conflict of that time. This edition is translated with an introduction by Horace B. Samuel.

**Stendhal Roger Pearson** 2014-09-11 Both critic and writer, Stendhal has now become established as one of realism's founding fathers. Dr Pearson's book maps out, for the first time, the critical reception of Stendhal's two most widely read novels, *The Red and the Black* and *The Charterhouse of Parma* since their publication in 1830 and 1839 respectively. In part one he provides generous samples of the most important nineteenth-century responses to the novels, almost all of them translated into English for the first time. Part two presents a full range of the most authoritative and influential readings since 1945, which illustrate a wide variety of critical approaches.

**The Historian** Elizabeth Kostova 2005-06-01 The record-breaking phenomenon from Elizabeth Kostova is a celebrated masterpiece that "refashioned the vampire myth into a compelling contemporary novel, a late-night page-turner" (San Francisco Chronicle). Breathtakingly suspenseful and beautifully written, *The Historian* is the story of a

young woman plunged into a labyrinth where the secrets of her family's past connect to an inconceivable evil: the dark fifteenth-century reign of Vlad the Impaler and a time-defying pact that may have kept his awful work alive through the ages. The search for the truth becomes an adventure of monumental proportions, taking us from monasteries and dusty libraries to the capitals of Eastern Europe—in a feat of storytelling so rich, so hypnotic, so exciting that it has enthralled readers around the world. "Part thriller, part history, part romance...Kostova has a keen sense of storytelling and she has a marvelous tale to tell."—Baltimore Sun

**The Abbess of Castro Stendhal 2021-12-03** 'The Abbess of Castro' is a novella by Stendhal which recounts the untimely tragic romance between the daughter of the wealthiest man in Lazio and a penniless gangster. It may be a tale of star-crossed lovers set in Italy, but this novella is so much more than an alternative Romeo and Juliet. Beneath the surface lies an eye-opening tale of political machinations that Machiavelli would be proud of, violent family feuds and swashbuckling adventures. Claimed to be translated from 16th Century manuscripts, 'The Abbess of Castro' packs an extra punch with its extremely unsympathetic view on warfare and an acute critique on ardent individuals undone by passion. Stendhal is widely regarded to be an eminent example of Romantic Realism throughout his work and directly influenced the world-famous Russian author Leo Tolstoy in his depictions of war, especially in Tolstoy's works 'Sevastopol Sketchers', 'The Invaders', 'The Cossacks' and 'Youth and Childhood'. Stendhal (1783-1842), the pseudonym of Marie-Henri Beyle, was a French writer. A pioneer of literary realism and master of the psychological portrayals of his characters, he is best known for his novels 'The Red and the Black' (1830) and 'The Charterhouse of Parma' (1839).

On Love Stendhal 2017-02-06 Marie-Henri Beyle 23 January 1783 – 23 March 1842), better known by his pen name Stendhal, was a 19th-century French writer. Best known for the novels *Le Rouge et le Noir* (*The Red and the Black*, 1830) and *La Chartreuse de Parme* (*The Charterhouse of Parma*, 1839), he is highly regarded for the acute analysis of his characters' psychology and considered one of the earliest and foremost practitioners of realism.

**The Red and the Black Stendhal 2004-11-04** A landmark in the development of psychological realism, Stendhal's masterpiece chronicles a young man's struggles with the dualities of his nature. Julien Sorel, a young dreamer from the provinces whose imagination is afire with Napoleonic ideals, sets off to make his fortune in Parisian society of Restoration France. His encounters and experiences along the way incite constant inner conflict, drawing him back and forth between sincerity and hypocrisy, idealism and cynicism, humility and pride, love and ambition.

**The Problematic Self** Elizabeth Brody Tenenbaum 1977

**Scarlet and Black Stendhal 1991** In this account of a disillusioned soul failing to come to terms with reality, the novelist recreates the Byronic anti-hero in the context of post-revolutionary France where the church, politics and society itself are in upheaval.

**A Mirror in the Roadway Morris Dickstein 2021-08-10** In a famous passage in *The Red and the Black*, the French writer Stendhal described the novel as a mirror being carried along a roadway. In the twentieth century this was derided as a naive notion of realism. Instead, modern writers experimented with creative forms of invention and dislocation. Deconstructive theorists went even further, questioning whether literature had any real reference to a world outside its own language, while traditional historians challenged whether novels gave a trustworthy representation of history and society. In this book, Morris Dickstein reinterprets Stendhal's metaphor and tracks the different worlds of a wide array of twentieth-century writers, from realists like Theodore Dreiser, Sinclair Lewis, Edith Wharton, and Willa Cather, through modernists like Franz Kafka and Samuel Beckett, to wildly inventive postwar writers like Saul Bellow, Günter Grass, Mary McCarthy, George Orwell, Philip Roth, and Gabriel García Márquez. Dickstein argues that fiction will always yield rich insight into its subject, and that literature can also be a form of historical understanding. Writers refract the world through their forms and sensibilities. He shows how the work of these writers recaptures—yet also transforms—the life around them, the world inside them, and the universe of language and feeling they share with their readers. Through lively and incisive essays directed to general readers as well as students of literature, Dickstein redefines the literary landscape—a landscape in which reading has for decades been devalued by society and distorted by theory. Having begun with a reconsideration of realism, the book concludes with several essays probing the strengths and limitations of a historical approach to literature and criticism.

**The Red and the Black Stendhal 2018-10-29** *The Red and the Black* tells the story of Julien Sorel's life in a monarchic society of fixed social class. It is a historical psychological novel which chronicles the attempts of a provincial young man to rise socially beyond his modest upbringing through a combination of talent, hard work, deception, and hypocrisy. He ultimately allows his passions to betray him. The novel has a two-fold literary purpose, being both a psychological portrait of the romantic protagonist, Julien Sorel, and an analytic, sociological satire of the French social order under the Bourbon Restoration.

**The Red and the Black Stendhal 2002-09-24** Charts the rise and fall of an ambitious young social climber in a cruel, monarchical society Handsome, ambitious Julien Sorel is determined to rise above his humble provincial origins. Soon realizing that success can only be achieved by adopting the subtle code of hypocrisy by which society operates, he begins to achieve advancement through deceit and self-interest. His triumphant career takes him into the heart of glamorous Parisian society, along the way conquering the gentle, married Madame de Rênal, and the haughty Mathilde. But then Julien commits an unexpected, devastating crime—and brings about his own downfall. *The Red and the Black* is a lively, satirical portrayal of French society after Waterloo, riddled with corruption, greed and ennuï, and Julien—the cold exploiter whose Machiavellian campaign is undercut by his own emotions—is one of the most intriguing characters in European literature. Roger Gard's fine translation remains faithful to the natural, conversational tone of the original, while his introduction elucidates the complexities of Julien's character. This edition also contains a chronology, further reading and an appendix on Stendhal's use of epigraphs.
